

Fundraising Trustee Role Description

Essential Information:

Brighter Futures Zambia is a small charity making a big impact. Our mission is to provide orphaned and vulnerable children in Zambia a happier, healthier and safer present and a more secure and fulfilling future. We do this by working in partnership with carers in Zambia to improve children's access to education, empowering both the child and their carer through counselling, training and support.

We are looking to recruit enthusiastic and committed people who are motivated by the opportunity to make a real difference to the lives of some of the poorest communities in Africa. As a small charity we need strategic thinkers who are also prepared to play a hands-on role in the development of the charity. As a trustee of BFZ you would be expected to support the promotion of BFZ's work, to actively participate in fundraising activities, attend quarterly trustee meetings (usually held by Zoom) and advocate BFZ's work as widely as possible.

For more information on our work, please [visit BFZ's webpages](#).

- Commitment to the mission of BFZ.

- Commitment to the organisation and willingness/ability to devote the required time and effort.
- Knowledge/ experience of fundraising/ marketing/ sales is not essential- we have expertise within our existing trustee board and will provide support and guidance- the most important quality is a capacity and drive to get involved and help us achieve our goals.

We particularly welcome applications from people we would like to see better represented on our charity board- people of colour and people with lived experience and knowledge of Zambia and Southern Africa.
