

I bought you 10 Pre-School Meals

To

I decided to get you a gift that will help improve the lives of orphans and vulnerable children with Brighter Futures Zambia. On your behalf, I've bought 10 pre-school meals.

This small contribution means that they will get the energy they need to learn and get through the day. These meals are also important to keep them healthy and to help them grow.

From

Brighter Futures Zambia is a small charity that makes a big difference to orphans and vulnerable children in Zambia. Their mission is to help them complete their education and live happier, healthier and safer lives.
